

CONCLUSION

The applicant submits that the above-noted amendments and remarks put the application in condition for allowance, as Claims 1-3 have been canceled and Claims 4-5 rewritten in independent form, including the limitation of Claims 3, or the previous base claim from which Claims 4 and 5 depended prior to amendment. The Examiner had stated that Claims 4-5 would be allowed if rewritten into independent form, which is what the Applicant has done. Applicant therefore respectfully requests that the Examiner withdraw the outstanding objections and rejections contained in the Office Action of November 15, 2005, and pass this application to issue. Applicant expresses their appreciation to the Examiner for Examiners attention and courtesy.

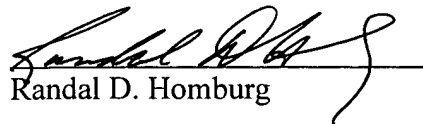

Respectfully submitted;
